9. BEST EVALUATED BID(S):

Proposed award of supply and delivery contract:

The **Bid Evaluation Committee recommends** that the user department purchase **ITEMS** on a rotational basis from the following bidders as needed:

This is primarily due to :

- a) Not all bidders will be available to supply the goods within specified period
- b) Due unfavorable economic climate(CoVID-19),the user department might experience stock shortage if only one bidder is recommended
- c) Inferior quality products from some suppliers
